EQUITY COMMITMENT LEADERSHIP COLLABORATION INTEGRITY

Lane County Technology Advisory Committee Thursday, February 21, 2019, 1:00pm-3:30pm Lane ESD Rooms 5 & 6

AGENDA

Presentation:

- 1:30pm-3:30pm: Leslie Golden from Instill Security: “System Hygiene”. Exploring viable ways to improve information security in and around IT systems. We will work through some common challenges in the ongoing care and feeding of mission critical systems and software, and identify realistic and effective methods to become less vulnerable and more resilient.

Recurring Items

- **Service Incidents** — *A review of LESD service interruptions since last meeting*
- **E-Rate** — *Quick recap of any news this month*
 - February 27 is the last day to file a Form 470 E-Rate application and have enough time for a 28-day bidding window, plus 1 day to file the Form 471 before the application window closes
 - LESD is currently in a bidding window for ISP contract and district transport services
