W. B. DILLARD
County Superintendent of Schools
LANE COUNTY, OREGON

Sept. 6, 1911.

Mr. Ralph Taylor,
Reed, Oregon.

Dear Sir:

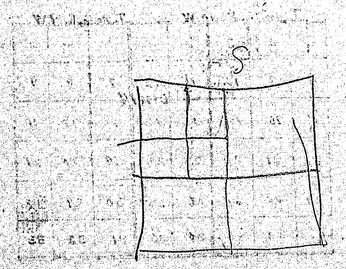

There seems to be considerable uncertainty as to the exact boundary lines of school districts, Nos. 116 and 168, owing to the fact that the country was unsurveyed when 116 was set apart, and that the description of 166 is insufficient.

Could I trouble you to give me your candid opinion as to what the exact boundary of these districts should be.

Yours truly,

EK-BR

Dear Sir:

In reply to your letter of Sept 6.
I have drawn an outline of the two Districts,
I think it is nearly as the boundaries are at the present time.
I think that the difficulty lies in the SW¼ of SE¼, Sec 11, T 16,
at present it is in Dist 166, when in fact it should
be in Dist no 168, as the rest of the place is in that Dist.

Very Truly Yours
Ralph Taylor

It appearing, that by inadvertence and mistake the order of the District Boundary Board made on the 3rd day of November 1906 in acting on a petition for a change in the boundary of district 23 and 133 has been incorrectly entered in the record of said District Boundary Board.

And it appearing, that the orginal petition now on file in the office of the County Superintendent shows that the order did not read the same as the original petition.

And it appearing, that the original petition shows what the petitioners asked for and what was intended to be ordered by the District Boundary Board.

Therefore, it is ordered by the District Boundary Board that the order made November 3, 1906 be set aside and the following change be and is hereby made in the boundaries of District 23 & 133

"The W. ½ of the N.W. ¼ of Sec. 20 Tp. 17, 4 W. is hereby detached from district 23 and added to district 133. And the W. 20 acres of the E. ½ of S.W. ¼ of Sec. 16 and the E. 20 acres of the W. ½ of the S.W. ¼ of Sec. 16 Tp. 17, 4 West, is hereby detached from district 133 and added to district 23."
