## **SPECIAL NOTES REGARDING PLAN BENEFITS**

### **DEPENDENT ELIGIBILITY**

Biological, step and adopted children through age 25 are eligible for coverage under OEGB benefit plans. Eligible employees also may obtain coverage for dependent children that are legal wards of the court or that they, their spouses, or domestic partners are required to support.

Dependent children older than age 25 are eligible for benefit coverage if they are incapable of self-sustaining employment because of a developmental disability, mental illness, or physical disability and were covered under an educational entity plan prior to reaching the age of 26. There are some exceptions, please see a complete version of OEGB's eligibility rules at <https://www.oregon.gov/oha/OEGB/Pages/Eligibility.aspx>.

### **PRE-EXISTING CONDITIONS**

There are no limitations on pre-existing conditions. There is a 24-month waiting period for organ transplants. This waiting period can be waived or reduced by documentation of prior organ transplant coverage under other creditable coverage in the 24 months prior to the beginning of this OEGB coverage.

### **PREMIUM DEDUCTIONS FOR 10-MONTH EMPLOYEES**

Employees who work 10-months (160-210 days) per year and choose to receive 10 paychecks per year will have their annual (September – August) out of pocket insurance premium divided equally across 10 paychecks.

### **KAISER VISION COVERAGE**

Employees must be enrolled in a Kaiser Medical insurance plan in order to enroll in Kaiser Vision coverage.

## **MEDICAL, DENTAL, VISION AND LIFE INSURANCE ENROLLMENT OPTIONS**

Eligible employees have three (3) enrollment options as follows:

### **Option # 1**

Employees may choose up to one (1) Medical/Rx Plan; one (1) Dental Plan; and one (1) Vision Plan. Employees may also choose not to enroll in either a Dental Plan or a Vision Plan or both. (For example, an employee may enroll in a medical plan and vision plan and elect not to enroll in a dental plan or an employee may enroll in a medical plan only and elect not to enroll in either a dental or vision plan.)

### **Option # 2**

Employees may choose to waive/decline benefits. Waiving or declining benefits means that an individual elects not to enroll in any one or all of the benefit plans available under the OEGB-sponsored benefits program.

### **Option #3**

As outlined on the next page, employees who are covered under other employer-sponsored group coverage may "Opt-Out" of medical insurance and receive a monthly financial incentive of \$300 from Lane ESD. Dental, vision and other insurance may be purchased at their own expense.

*Note: An online version of this 2024-2025 Licensed and Classified Benefits Summary can be found on the Lane ESD website: <https://lesd.k12.or.us/hr/benefits/>*

<b>Employee Only</b>	<b>Employee &amp; Spouse/Partner</b>	<b>Employee &amp; Child(ren)</b>	<b>Family</b>
\$680	\$1,482	\$1,310	\$2,117

The District’s contribution covers:

All other coverages are at the **employee’s expense**. These coverages include:

- Short Term Disability
- Additional (Optional) Life Insurance
- Additional (Optional) AD&D Insurance
- Long Term Care
- Flexible Spending Accounts (FSAs)

- Health Savings Accounts (HSAs)

**MEDICAL INSURANCE “OPT-OUT”**

Employees who are eligible for benefits may **“Opt-Out”** of insurance coverage and receive a **monthly** financial incentive of **\$300** from Lane ESD under the following conditions:

- The employee and their eligible dependents **MUST** have other employer-sponsored group coverage to “Opt-Out”.
- Participation or enrollment in Individual Marketplace Coverage, the Oregon Health Plan, Medicaid, or Student Health Insurance does **NOT** qualify for OEBC “Opt-Out”, and the employees are not eligible to receive financial incentive.
- Employees who “Waive” coverage are not eligible to receive this financial incentive regardless of whether or not they have other medical coverage.
- The employee must provide proof of other equivalent group coverage as part of the OEBC online enrollment process, or the “Opt-Out” will not be in effect.

Employees who “Opt-Out” of medical coverage will **not** be eligible for Lane ESD’s Employee Health Plan Monthly Premium Share.

However, employees may elect to enroll themselves and their dependents in the following coverages at their own expense: Dental, Vision, optional insurances such as additional Life Insurance, additional Accidental Death and Dismemberment Insurance, Long-Term Care Insurance, and/or Short Term Disability.

Lane ESD will continue to provide \$25,000 in Basic Life Insurance, \$25,000 in Accidental Death and Dismemberment Insurance, and Long-Term Disability Insurance.

## OEBB PREMIUM RATES

The employee portion of the 2024-25 plan year premium will be based on the insurance selections made. Below is a chart showing the *monthly* medical, dental, vision and life insurance plans and rates available to choose from. The premium share will be automatically deducted from paychecks on a pre-tax basis through our Section 125 Cafeteria Plan. If you **do not** wish to have your health-related insurance premium deducted on a pre-tax basis you must contact Human Resources. (See Section 125 Plan information).

**NOTE: There is a \$5 monthly surcharge to each individual who has double coverage under medical plans offered through OEBB or PEBB (not included in cost below).**

More information, and a cost calculator, can be found on the Unum website: [Unum Long-Term Care Insurance Plan](http://unuminfo.com/oebb002/index.aspx) (<http://unuminfo.com/oebb002/index.aspx>)

### FLEXIBLE SPENDING ACCOUNT

Our Flexible Spending Account (FSA) Section 125 Cafeteria Plan is administered by Chard Snyder. You may enroll for payroll deductions for Unreimbursed Health Related Expenses or for Dependent Care Reimbursement. Employees who are currently enrolled in a Health Savings Account (HSA), may enroll in a limited FSA to pay for Unreimbursed Dental and Vision Related Expenses. Please review the Chard Snyder website for more details. Any premium share for health plan coverage paid by employees will be automatically deducted from paychecks on a pre-tax basis without the necessity of re-enrolling or enrolling in the plan by signature. This benefit results in Federal, State and FICA tax savings on your portion of the health insurance. The Section 125 Summary Plan Description will explain the Plan in greater detail. Our plan year is October 1 through September 30.

Employees will automatically be enrolled in the “Benny” prepaid benefit card program through Chard Snyder. The benefits card is an easy way to keep cash in your pocket while using your FSA. It gives you an easy, automatic way to pay for qualified healthcare expenses not covered by your health insurance. Each time you incur a qualified healthcare expense at a health-related business (like a participating pharmacy or doctor’s office) that accepts MasterCard®, simply use your benefits card. The amount of your qualified purchases will be deducted automatically and the pre-tax dollars are electronically transferred to the provider for immediate payment.

### HEALTH SAVINGS ACCOUNT (HSA)

A Health Savings Account (HSA) is a tax-advantaged account established to pay for qualified medical expenses for those who are covered under a High Deductible Health Plan. With money from this account, you pay for healthcare expenses until your deductible is met. Then, in accordance with the terms of your healthcare plan, your insurance company pays for covered expenses in excess of your deductible. Any unused funds are yours to retain in your HSA and accumulate toward your future healthcare expenses or your retirement.

An eligible individual is anyone who:

- is covered under a High Deductible Health Plan (HDHP)
- is not covered by any other health plan that is not an HDHP
- is not currently enrolled in Medicare or TRICARE
- has not received medical benefits through the Department of Veterans Affairs (VA) during the preceding three months
- may not be claimed as a dependent on another person's tax return

The HSA can be used:

- to pay for qualified medical, dental, vision and prescription drug expenses, including over-the counter drugs that have been prescribed by a doctor, as defined in IRS Publication 502
- as supplemental income, but money withdrawn is taxable and if you are under age 65, it will be subject to a 20% penalty.

## Lane ESD and Employee Contributions to the HSA:

If an employee elects to enroll in MODA Medical Plans 6 or 7 with an HSA, or Kaiser Plan 3 with an HSA, the HSA account will be funded by Lane ESD based on the difference between the district's contribution and the premium cost of the plans selected.

- The plan year for the HSA will be October 1 through September 30. If you begin employment or terminate employment mid-plan year, your HSA balance for the plan year will be reduced by the number of whole months that you are not eligible for the plan. For example: if you begin coverage in the Moda Medical Plan 7 on October 1<sup>st</sup> but you terminate your employment April 15<sup>th</sup>, your annual balance will be reduced 5 months x HSA amount.
- All expenses considered "medically necessary" by the IRS Section 125 Codes will be considered valid expenses for the use of the HSA account. **You will need to maintain all receipts for IRS record keeping and for verification by US Bank.**
- If you participate in MODA Medical Plans 6 or 7 with an HSA, or Kaiser Plan 3 with an HSA, you will be eligible to participate in a Limited Flexible Spending Account (LFSA).
- HSA funds are accessible the month following enrollment.
- You may contribute additional funds on a tax free basis. The **2024** tax year limits are: Single coverage – \$4,150 including any employer contribution; Family coverage (2 or more people on your policy) - \$8,300 including any employer contribution. The **2025** tax year limits are: Single coverage - \$4,300 including any employer contribution; Family coverage (2 or more people on your policy) - \$8,550 including any employer contribution.
- Contributions will not be due nor contributed until you have completed the account set up/identity verification process with Optum or your selected HSA account provider activates your account.
